Thank you all for the donated "goodies" for the staff. Very appreciated. Having a virtual presentation for students tomorrow. Ooch Experience, live stream 8:30 am. Trying to do as much as we can for the kids. Trying to figure out Field Day. Next Week February Vacation. Travel Advisory reminder, if you leave the state, must quarantine for 14 days or have negative Covid test before returning. Thank you families for helping stop the spread by saying "no" to social events and staying home. Numbers are dropping. Cohort change requests should be emailed in order to be put on a wait list, not a lot of room. Courtyard: Not attractive. Waiting for warmer weather then looking for volunteers to help power wash and paint. Mrs. Ewald & Mrs. McLaughlin joined the meeting – Mrs. M – please contact with any questions or concerns. Mrs. E. very excited about the courtyard, it has been a long road trying to improve.

New Business:

PTA meeting time is now 7:00 pm, more convenient for families.

Paint Night: Moira Bundschuh volunteered to host, hope to have in March.

Black History Month posters: Due to mail delivery issues, most have come in, remainder by Friday. Courtyard: Will start when weather is warmer

Yearbooks: Committee of 6 has been formed. Cohorts A, B, C had pictures last week.

Cohort D info will be sent out soon regarding sign up for 2/23. Ordering YB will be on line only. There will not be extras being sold at end of year. If someone cannot order online, we can assist. Love line/business ad info going out this week. Money made will help purchase yearbooks for children. Cost \$18.50soft/\$23.50 hardcover. Committed to ordering 325, not 500, increased price a little. Heather Gately donated gift cards – can raffle this week or save for May. Emailed teachers asking what supplies were needed: tissues, antibacterial wipes, water bottles, bottled water, wide ruled 1 subject notebooks, dry erase markers.

Old Business: Raise Craze: acts of Kindness, soon will be looking for volunteers to help organize, need lists of organizations and/or acts that the kids could help with, prizes.
